- One time out per player per game will be allowed.
- Players may only participate on one team & must captain a team from Southside APA.
- Team Captains flip a coin to decide who must declare their three players for the match. Winner of the flip has the choice of declaring first or having the opposing Team Captain choose first. The Captains will list their players in ascending order (lowest to highest). That list determines the player rotation and is locked for the match. Once both teams in a match have declared their players, the players cannot be changed unless the 15-Rule is in jeopardy.
- Order of play will be lowest skill level to highest.
- Players lag to see who wins the first break.
- Once the first two players have completed their rack of 8-Ball, the second two players in the rotation will play a rack of 9-Ball. Upon that rack's completion, the next two players in the rotation will play a rack of 8-Ball. Once set, the player rotation continues until a team reaches the required points necessary to win the match.
- The winning team breaks with the next player in the rotation after each rack.
- Each individual rack is worth one team point.
- Games Must Win chart will be used.
- A player's highest skill level between formats (8-Ball & 9-Ball) will be used towards the 15-Rule. **Exception:** sl 8/9's will count as 7 in this tournament.
- Only one player of skill level 6 or higher, may play in any given match.
- Players must have at least twenty 8-Ball scores or twenty 9-Ball scores within the last TWO years. A combination of scores from the two formats is not allowed.
- Players must have completed **TWO** sessions as a Team Captain of a standard 8-Ball, 9-Ball, or Ladies team in the 2017/2018 League year in Southside APA. Ladies Once-a-month format counts as 2 sessions. (For this year **ONLY**, Summer '18 counts as an eligible session.)
- Players must have played at least four times in the Spring Session in Southside APA. Matches played can be in either the standard 8-Ball, 9-Ball or Ladies formats.
- Players must be on an active (Summer Session) Southside APA roster.
